Hey Folks,

So I am currently being bombarded with emails, many asking the same questions. I currently have 140 DVC students along with 170 College Park students and will not be able to answer all of your questions, given that I am working feverishly to try to get our lectures in video files for my website. So I'm going to ask everyone to please check our class page on the website for updates on paper turn-ins and limit your questions to only essential items. I want you to know how much I appreciate your patience as we work through this.

Our home page is:
www.kropfpolisci.com

Just click on the appropriate class page and look at the top of the page for regular updates.

In the meantime, just keep reading! I guess there's never been a better time to do it.
