Covid-19 Update #3

Hey Gang,

I've decided to give everyone extra time if you need it for the journals. If you've already turned them in, great, much appreciated. Let's shoot for having them all emailed to me in .docx or .pdf by March 30 for my POLSC 240 class, March 31 for my POLSC 121 class, and April 1 for my POLSC 250 class. Keep working on the research paper and for now, a hard copy will be due when we return to classes. Hope everyone's hunkered down, taking precautions, staying healthy. I'll be adding video lessons daily so periodically check our website and make sure to check the video and PowerPoint presentations.

Stay healthy all! Peace out...
