The Four Theories of American Government

Final Due Date: Monday, December 13, 2021 (this is a “drop dead” date. No papers accepted after this date).

Question: Explain the four competing theories of American government. By examining various historical and contemporary aspects of our government (i.e. the question of whether capitalism and democracy can coexist and which of the three schools of thought on America’s future seems most likely), create an overall thesis suggesting which of the four appears to be the more descriptive with regard to the “necessary and ordinary operations of American government.”
