**Instructions for tonight's class**

**Hello Everyone,**

**Alright folks, just so you know what's up for tonight's class, I've decided to sketch out a rough outline of what you should be doing. So here you go!**

**1) First, click on the link for the reading "Does American Exceptionalism Foster American Decline" by Jouet and read through this article.**

**2) Next, click on the link for "Lecture Presentation" near the top of the section and watch the lecture.**

**3) Lastly, since I was unable to find a free download from the series "Capitalism" that we have been watching, I want you to click on the link to the documentary lecture from Yuval Noah Harari, "Reasons for Hope: The Bright Side of Nationalism." If you like, you can write a journal article on this talk instead of one of the readings for this lecture.**

**If you have any questions, just send me an email. Keep working hard on those research papers. When and how they will be turned in will be announced at a later date.**

**Cheers!  
Kropf**
