College Park High School - Sociology

Week Nine / Chapter Five – Socializing the Individual

Instructions for the Week of October 12 to 16

Hey People,

I think ya'll are getting the hang of this (hope so, anyway). So this week we start a new chapter in the book dealing with the socialization of the individual. As students you should all have some familiarity with this...a lot of your socialization occurs at school. So let's dive in and check it out. And let's talk about all the things in society that contribute to your socialization. OK, here's your week:

Task 1: Click "PowerPoint Notes for Socialization" and view slides 1 – 11. After going through this presentation, I would like everyone to write two questions and make two comments about the presentation. You will upload this information to our Google Classroom page.

Task 2: Click "Text Reading and Text Assignment # 9" to find out what to read that week and the accompanying text assignment. This text assignment will be uploaded to the Google Classroom page.

Task 3: Click "Crash Course Sociology #16." These short, 8 to 12-minute videos are a great way to familiarize yourself with some of the concepts we use in sociology. Nicole Sweeny (nothing more needs to be said).

Task 4: Each lecture will be accompanied by an article which will correspond to that lecture's theme. After reading the article, you will write a one-page, double-spaced response which you will upload onto Google Classroom. The response should be an analysis of the article, not a summary. In other words, tell me what you think about the article, do not tell me what the article is about (I've already read it). Analysis can include agreements or disagreements with the author, bias in the writing, questions or comments about the subject or facts presented, or other thoughts you might want to add.

Task 5: Click "Video: The Facebook Dilemma" and watch Part 1 of the documentary on the Youtube link. The videos are approximately one to two hours for each lecture. They can be watched at your convenience but do try to absorb the entire film. After watching the film, you will go to our Google Classroom page and upload to the Discussion Board Response. On this page I would like you to write a short, one-paragraph comment about the film. After that, please respond to two other student's responses. Please keep your responses to other students respectful – we don't need to agree, but let's be polite and mature in how we talk with each other.

So I'll see everybody next week. Join up in my virtual office hours at 2:10 pm everyday if you have questions or comments.

Miss you guys,
Kropf
