Week Twenty / Chapter 18 – Social Change and Modernization (continued)

Instructions for the Week of May 24 to 28

OK People, we made it. Just a couple more things to do with this final chapter and you're all set. Nice work, I know it was tough but I'm proud of all of you for hanging in there. Seniors, see you at graduation. Juniors, see you next year for US Government. Freshman, if I'm still alive I'll see you in 2023....

Task 1: Click "PowerPoint Notes for Social Change and Modernization" and go over slides 61 – 79. After going through this part of the presentation, I would like everyone to write two questions and make two comments about the presentation. You will upload this information to our Google Classroom page.

Task 2: Click "Text Reading and Text Assignment # 20" to find out what to read that week and the accompanying text assignment. This text assignment will be uploaded to the Google Classroom page.

Task 3: Click "Khan Academy: The Modern Revolution." These short, 8 to 12-minute videos are a great way to familiarize yourself with some of the concepts we use in sociology.

Task 4: Each lecture will be accompanied by an article which will correspond to that lecture's theme. This week you are only required to read the article. No journal response is required.

Task 5: Click "Video: Understanding Problems at the Age of Humans" and watch the second 35 minutes. After watching the film, you will go to our Google Classroom page and upload to the Discussion Board Response. On this page I would like you to write a short, one to two-paragraph comment about the film. After that, please respond to two other student's responses. Please keep your responses to other students respectful – we don't need to agree, but let's be polite and mature in how we talk to each other...

You are done. Well done. Kropf
