College Park High School - Sociology

Week Two / Chapter One – The Sociological Point of View (continued)

Instructions for the Week of August 24 to 28

Hey People!

So we are moving on to Week 2, and this week we'll finish up the first chapter in our textbook looking at the "sociological point of view." You'll be following the same pattern as last week and then next week we'll move on to Chapter 2. Feel free to join our Zoom virtual office hours if you have any questions. I'm there Monday, Tuesday, Thursday, and Friday from 2:10 to 3:10 pm. OK...here's your breakout for the week:

Task 1: Click "PowerPoint Notes for The Sociological Point of View" and view slides 18 – 35. I will be presenting these notes during Zoom meetings, but you can access them on the website at any time. After going through this presentation, I would like everyone to write two questions and make two comments about the presentation. You will upload this information to our Google Classroom page.

Task 2: Click "Text Reading and Text Assignment # 2" to find out what to read that week and the accompanying text assignment. This text assignment will be uploaded to the Google Classroom page.

Task 3: Click "Crash Course Sociology #2." These short, 8 to 12-minute videos are a great way to familiarize yourself with some of the concepts we use in sociology. Watch and enjoy! Nicole Sweeny is a cool nerd!

Task 4: Each lecture will be accompanied by an article which will correspond to that lecture's theme. For this lecture you need only to read the article; no journal response on the Google Classroom Page is needed this week.

Task 5: Click "Video Presentation for Lecture One" and watch the second half of the documentary on the Youtube link. The videos are approximately one to two hours for each lecture. They can be watched at your convenience but do try to absorb the entire film. After watching the film, you will go to our Google Classroom page and upload to the Discussion Board Response. On this page I would like you to write a short, one-paragraph comment about the film. After that, please respond to two other student's responses. Please keep your responses to other students respectful – we don't need to agree, but let's be polite and mature in how we talk with each other.

All right people, see everybody next week...Kropf
