

Instructions for the April 26, 2022 Lecture

My friends, we have just three more weeks left. This week we'll start looking at two important (I think the most important, even considering what's going on in the country right now) policies the government must address: economics and foreign policy. We'll start with economic policy...here you go:

Lecture 13. U.S. Economic Policy

Task 1: Read these instructions.

Task 2: Read Chapter 13 in the Heineman text (pp. 265-285)

Task 3: Watch the lecture presentation for "U.S. Economic Policy." I will be your tour guide through this mess...

Task 4: Read the article for your journal response. You can find the question on the link titled "Lecture / Discussion Page" highlighted in yellow. After completing the response, you will have until the date posted on the assignments page to upload it to Canvas.

Task 5: Open the link for the video and watch.

Task 6: Go to our Canvas page and click the link titled "Discussion Board for Lecture Thirteen" and answer the question that I have posted in approximately one to two-paragraphs. Wait for other students to put their responses and then pick two students to respond to. The deadline for these responses will be posted on the Canvas assignments page. Don't be late....

OK, people. Stay strong, stay focused, I'm here if you need me just send me an email. We're almost there! Kropf
