

## Instructions for Lecture Two

All right people, how's everyone?

So, you survived Lecture One, not too bad, right? Our next lecture – an investigation into political parties and ideologies will start to orient you to the research paper, which I'll be discussing soon. Again, you can organize these lectures to your taste (i.e. doing all the reading first, or some reading and watching of the lecture, videos, whatever's comfortable), but try hard to complete everything associated with this lecture. These are the steps you'll follow to successfully complete this next lecture.

### Lecture 2. American Political Ideologies and Parties

**Task 1:** Read these instructions! (check!).

**Task 2:** Read Chapter 9 in the Heineman text (pp. 87-108)

**Task 3:** Watch the lecture presentation on “American Political Ideologies and Parties.” A stellar performance by you-know-who.

**Task 4:** Read the article for your journal response. You can find the question on the link titled “Lecture / Discussion Page” highlighted in yellow. After completing the response, you will have until the date posted on the assignments page to upload it to Canvas.

**Task 5:** Open the link for the video and watch.

**Task 6:** Go to our Canvas page and click the link titled “Discussion Board for Lecture Two” and answer the question that I have posted in approximately one to two-paragraphs. Wait for other students to put their responses and then pick two students to respond to. The deadline for these responses will be posted on the Canvas assignments page. Don't be late....

Are you getting a feel for how this will work? Good! Everybody's gonna do great things this semester. Lots of work ahead of us and I don't mean school.

See you on next time and we'll take good look at the Constitution!

Until then, stay healthy,

Kropf
